

Policies and Agreements

MATERIALS

Sarah will ask you to purchase a lesson book, a theory book, and a notebook for lessons. A metronome may also be required.

PAYMENT

Payment is expected at the first lesson of every month unless another arrangement has been agreed upon and written here:

Rate \$ 15 / 30:00 minute lesson Lessons per week 1

Payment for 4-week month 30 to be paid on 1st lesson of the month

CANCELLATIONS

Please let Sarah know at the beginning of the month if any lessons need to be rescheduled.

Sarah is not required to make up lessons cancelled with less than 24-hours notice. Remember, you are paying her for her time as well as her talents.

If Sarah cancels a lesson with less than 24 hours notice, for any reason, she will not charge for the cancelled lesson and will provide a free lesson.

Sarah will not hold lessons during certain weeks due to holidays. These are not considered cancellations. She will, of course, specify these holiday weeks at the beginning of the month.

RECITALS

There is no extra cost to participate in student recitals. Although the student has the option to choose not to play in a recital, Sarah strongly encourages them to take the opportunity to perform for an audience.
